12.3 It is always possible that, despite our best efforts, some of the products we sell may be incorrectly priced. We will normally check prices before accepting your order so that, where the product's correct price at your order date is less than our stated price at your order date, we will charge the lower amount. If the product's correct price at your order date is higher than the price stated to you, we will contact you for your instructions before we accept your order.

15.2 You may only transfer your rights or your obligations under these terms to another person if we agree to this in writing.

15.3 This contract is between you and us. No other person shall have any rights to enforce any of its terms.

15.5 If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date. For example, if you miss a payment and we do not chase you but we continue to provide the products, we can still require you to make the payment at a later date.

15.6 Applicable Law and Jurisdiction. These terms are governed by and construed in accordance with the law of England and Wales and the courts of England and Wales shall have exclusive jurisdiction to settle any such dispute or claim.

By placing an order to purchase a Product, you promise to us that it is lawful for you to order the relevant Product in the country where you place the order and for the recipient to receive the relevant Product in the destination country. If you breach this promise we may end the Contract and charge you reasonable compensation for the net costs which we incur. We may deduct the compensation payment from the bank account which you used to pay for the Product. We may make that deduction from that bank account in more than one payment.
